

**EXPANDING
CAPITAL**

INVESTING IN TECH COMPANIES IN THE U.S.

Expanding Capital is an investment firm backed by an influential group of Brazilian investors with offices in San Francisco, New York, and Sao Paulo. XCap invests in growth-stage tech companies based in the U.S. (VC and public).

WE ARE LOOKING FOR...

A computer engineering (or similar) undergraduate for our intern program. You will be working with a small international team and will be directly involved in investing activities.

Desired Characteristics: self-motivated, hard worker, analytical mindset, and eager to learn. Knowledgeable in technology in general, data science and finance is a plus.
