

Internship Program - Valor Capital Group

Valor Capital Group is seeking applicants for the firm's Internship Program. Position is available in São Paulo, SP.

About Valor: Valor Capital (www.valorcapitalgroup.com) is a technology focused Venture Capital Fund focused on Brazil and US-Brazil cross-border opportunities with a presence in New York, Menlo Park, and São Paulo. Valor's competitive edge results from a pioneering cross-border strategy and network in which it provides its companies with strategic capital, operational support and connectivity to global markets. Some of our investments include: Gympass, Coinbase, Olist, Buser, Frete.com, Descomplica, Sprinklr and Nextdoor.

What are we looking for in candidates?

- Bachelor's degree in engineering, business, finance, accounting, economics or other business related field preferred
- Demonstrated high level of initiative in a prior activity
- Previous work experience preferred
- Passion for technology, startups and innovation
- Outstanding communication and analytical skills combined with strong project management and problem solving skills
- Highly organized with an attention to detail
- Ability to produce polished investment reports and research projects
- Advanced Microsoft Package skills
- Portuguese (mandatory) and Fluent English speaker (mandatory)

Duration: 1 year + with possibility of extension or promotion (depending on graduation date)

Weekly Hours: The intern will commit to 30 weekly hours

Job Description: The intern will be part of an entrepreneurial Venture Capital team and have constant interaction with the Associate and Analyst of the investment team. The intern will focus on industry research and specific research around potential new investments. The intern will gain exposure to our growing network of startups and growth companies, as well as insight into our investment decision process.

Main responsibilities include:

- Assist in the creation of technology industry research and sector white papers
- Provide support to analysts, associates and principals in company specific due diligence (e.g research on comparable companies, industry trends, etc.)
- Monitor proper use of IT products and services
- Support Valor's Community initiatives (e.g support business development of portcos, and ad hoc events)

Contact: Please submit your resume to Pedro Pereira at (pedro.pereira@valorcapitalgroup.com) with the following subject: **Internship Program 2022 + "YOUR NAME"**
