

23S Capital Internship Program – Private Equity – São Paulo, Brazil

About 23S Capital

23S Capital is an investment firm focused on long-term and sustainable value creation. Our fund is the result of a strategic partnership between Votorantim and Temasek to pursue opportunities in Brazil, combining the entrepreneurial DNA and track record of the two companies. Both parties have committed to invest up to US\$700 million (about R\$3.6 billion) in growth capital across various sectors of the Brazilian economy.

Investment mandate focused on themes associated with secular trends taking place in Brazil and globally, with an emphasis on high growth and sustainable business models, managed by strong teams.
