

Business Analyst or Associate – Turnaround & Restructuring

Summary

RK Partners is an independent advisory firm, specialized in complex corporate reorganizations. It has been in charge of some of the largest and most important corporate restructuring processes in Brazil.

We are looking for a Business Analyst or Associate to join the restructuring advisory team.

Main responsibilities

- Perform complex analyses in all aspects of a restructuring and turnaround project, bringing a critical point of view of the case and client's sector
- Analyze and validate all the data collected from the client and/or external sources
- Provide insights to support the decision making process through well-conducted research and analysis
- Develop consistent and in-depth financial models (including valuation) autonomously
- Structure high impact presentations, ensuring a consistent storyline with the project's circumstances
- Support client's C-level team by constructively contributing on important decision-making processes

Requirements

- Undergraduate Degree concluded (preferentially Engineering, Economics, Business Administration)
 - Year of conclusion: from dec/2017 to dec/2022
- Fluent or advanced level of English (must have)
- Solid communication (both oral and written) skills
- Well-developed skills in financial modelling, valuation, and corporate finance
- Microsoft Office pack fluency

Candidates must send their CV to the e-mail curriculo@rkpartners.com.br with the subject "Analista/ Associate RKP"
