

GP Investments

A leading alternative investment firm

2024 Treasury Internship

Position Description

GP Investments is seeking a Treasury Intern for its São Paulo office. The intern will work with several team members in a collaborative and dynamic environment, gaining exposure to multiple corporate functions (treasury, financial planning & analysis, controllership, etc) and learning different research techniques and data analysis tools, which are expected to be applied opportunities in a variety of markets and asset classes.

The intern's main responsibilities will include:

- Assisting with daily cash management, trade executions, settlements and reconciliation of accounts
- Supporting the identification and analysis of potential proprietary investments, helping conduct industry and company research, as well as prepare reports and financial models
- Organizing the documentation for various international banking relationships as needed, including new account opening forms and ongoing compliance forms
- Participating in the optimization of treasury processes and systems
- Collaborating with other internal teams to support other projects and tasks as needed

Qualifications

- Expected graduation in 2025
- Fluency in English
- Strong analytical and communication skills
- Solid work ethic and ability to work both independently and in small groups
- Proficiency in MS Office
- Basic knowledge of Financial Modelling

About GP Investments

GP Investments is an alternative investment firm established in 1993. Since its foundation, GP Investments has deployed over \$5 billion in more than 50 companies across multiple sector, geographies, and maturity levels.

We are best known for our operationally oriented approach and active management model. This model's cornerstone is a culture that emphasizes values such as meritocracy, ownership, trust, and a ceaseless commitment to achieving results.

We have flexible, patient capital and seek to build long-lasting enterprises. Our seasoned investment team has been working together for many years and has developed the ability to apply creative solutions to complex situations that require long term capital. Our capabilities span across Brazil, the United States, and Europe.
