

Internship Opportunity at Franklin Templeton Alternatives

ALTERNATIVES

Franklin Templeton Alternatives: Company Overview

Franklin Templeton Alternatives (“[FTA](#)”), is a global emerging markets private equity, private debt and infrastructure fund manager with offices in Latin America, Central & Eastern Europe and Asia, with over US\$7.7 billion in cumulative capital commitments.

FTA is a wholly owned subsidiary of Franklin Resources, Inc. (“[Franklin Templeton](#)”), a global fund manager and a publicly traded company, listed on the New York Stock Exchange and part of the S&P 500 index. Franklin Templeton currently has over US\$1.4 trillion assets under management, clients in more than 155 countries, spread through offices in over 30 countries, including Brazil. Combining local and offshore vehicles, Franklin Templeton is among the largest foreign investors in Brazil.

Internship Description

The current internship position is for the Alternatives Investments Group. The intern will work directly with the local investment team, interacting with the global FTA and Franklin Templeton teams, participating in investments and divestments, including sector specific analysis, transaction due diligence, financial modeling and portfolio monitoring.

Eligibility Requirements

Applicants must meet the following requirements:

- Speak fluent English;
- Have advanced knowledge in Excel and Power Point;
- Have solid skills in finance, accounting and valuation methods;
- Be enrolled in an Engineering, Accounting, Economics or Business Administration program.

FTA seeks to hire an individual who is highly motivated and demonstrates a solid combination of communication, analytical and quantitative skills, ability to write effectively and work in teams.

Application

The applicants should send an email to lbastos@franklintempleton.com and pgeraldi@franklintempleton.com containing:

- *Curriculum Vitae*;
- Cover Letter in English, explaining main motivations to apply for position.
