

WE ARE HIRING!

VENTURE CAPITAL - INTERN

We are looking for a Venture Capital Intern to support our team. The ideal candidate will conduct quantitative and qualitative analysis across Greentech industries and build and publish research reports to the market (investors, entrepreneurs, media, etc). The required qualifications are:

- ✓ HIGH INTEREST IN INNOVATION, STARTUPS, GREEN TECHNOLOGIES AND VENTURE CAPITAL
- ✓ STRONG ANALYTICAL PROFILE (BUSINESS MODELS, FINANCIAL MODELS, ...)
- ✓ GOOD WRITING SKILLS (PORT AND ENG)
- ✓ GOOD COMMUNICATION SKILLS (INTERNALLY AND EXTERNALLY)
- ✓ ADVANCED SKILLS IN MICROSOFT OFFICE (EXCEL, POWERPOINT, ETC.)
- ✓ MOTIVATION, WORK INTENSITY AND GENUINE INTEREST IN BECOMING A PARTNER IN THE LONG RUN

JOB DESCRIPTION

The core of this person's job will be supporting the investment and fundraising team with: in-depth analysis of various Greentech sectors and companies; meeting with founders; data gathering; production of research reports to the market and investor base and participating in events.

ABOUT BARN

We are a Venture Capital fund based in São Paulo and for more than 10 years we have been providing catalytic capital to finance the green transition in Latin America, investing in Green Technologies that significantly improve efficiency, reduce waste, while contributing to climate mitigation and adaptation.

We are an experienced and disciplined team, passionate about innovation, entrepreneurship, and green technologies. We have proven that venture capital investments can generate positive social, environmental, and financial returns to society and investors.
