

FINANCIAL ANALYST | FINANCIAL MODELING AND PROJECT FINANCING

FINENGE IS AN INDEPENDENT FINANCIAL ADVISORY FIRM WITH FOCUS ON LONG-TERM FINANCING

WHO WE ARE

- Throughout our 30+ years of practice, we raised over US\$8 billion in debt and equity transactions to our clients, advised over USD60 billion and helped structure several M&A transactions;
- We work within a high-growth setting, where focus, knowledge and talent are the key drivers. We are in constant interface with multilateral development agencies such as IFC, IDB, DEG and CIFI, among others.

WHAT YOU'LL DO

- Build and analyze complex financial models and long term projections;
- Write and revise reports and presentations;
- Actively participate at meetings with clients;
- Analyze and discuss financial statements, business plans, budgets, forecasts, etc.

WHAT WE ARE LOOKING FOR

- Candidates must have up to two years of work experience (after graduation – newly grads are admitted) in consulting, banking, auditing or corporate finance;
- From the best schools in Business, Economics, Engineering, Accounting or other quantitative fields;
- Candidates must have: (i) superior quantitative/analytical skills; (ii) advanced knowledge of accounting and finance; (iii) proficiency in English and Excel.

WHAT WE OFFER

- Accelerated development by working side-by-side with Partners;
- Learn on-the-job since you will be part of a team that includes professors of renowned business schools and has the highest standards of technical knowledge, rigorous analysis and thorough execution;
- Salary in line with market practice plus competitive bonus multiplier, depending on individual and company performances; fringe benefits and a solid Career Plan.

HOW TO APPLY

- Send your CV to recruiting2022@finenge.com by April 15, 2022.
